3 Articles with 3 houses and outbuildings in granite stone to restore on land of approx. 2800 m² facing south. It offers all the infrastructure in place, tranquility and fantastic open field views. Located in Lafões half an hour from the beaches of Aveiro and about 1 hour from Porto's airport.

Lafões is placed in a territory of the Centre Region, between the coast and the hinterland of the country, it has a rich ancient heritage, ranging from prehistory until today, with both roman and medieval traces.

The region has an uneven relief, presenting smooth valleys and hills, along with higher mountains, crossed by several rivers and water streams. The biggest river is Vouga. In the region, apart from vineyards and cherry trees, there are also corn and rye fields, apple, orange and blueberry tree plantations.

Rich and varied, the local gastronomy of this region is also point of
